SENIOR PICTURE REMINDERS:

- We will notify any individual whose senior photo does not meet the guidelines and allow exactly **one week** for re-submission within guidelines to ensure placement.
- We cannot guarantee publication of any senior photo submitted after the October 1, 2018 deadline. **No exceptions.**
- Check with your photographer to ensure they are submitting the photo to the school (don't just assume they are).
- If NO senior photo is submitted, we will use the photo taken during registration (if taken) or the student's junior photo to increase coverage of all seniors in the yearbook.
- If you aren't planning on having your senior pictures taken, Jack Martin Photography can take your senior yearbook photo at the beginning of the school year during Registration (just dress nicely).
- Ultimately, it is the responsibility of the students and parents, not the yearbook staff, to ensure a senior photo is correctly submitted before the deadline.
